Section 1: Introduction

This handbook is for Medicaid members who are enrolled in Utah Medicaid's Prepaid Mental Health Plan (PMHP). NCC will provide you with mental health and substance use disorder (SUD) services if you need them. This handbook explains the Medicaid mental health and SUD services that NCC covers.

What if I need an interpreter?

We know that it can be hard to talk with your provider if your first language is not English or you are deaf, hard of hearing, or have a hard time speaking. You can ask for an interpreter. Interpreters are free and available in all languages, including sign language. An interpreter can help you over the phone and be with you at your mental health or SUD visits. The interpreter will help you and your provider understand each other. Also, we might have providers who speak or sign your language. To ask for an interpreter, or a provider who can speak or sign your language, call us at: **435-789-6300** or **1-844-824-6776**.

What if I want to call NCC and I am deaf, hard of hearing, or have a hard time speaking?

You can call **Relay Utah** at **711** or **1-800-346-4128**. If you have a hard time speaking, you can also call **Speech-to-Speech Relay Utah** at **1-888-346-5822** and a trained person will help you. ¿Qué sucede si necesito un intérprete?

Sabemos que puede ser difícil hablar con su proveedor si su primer idioma no es inglés o es sordo, tiene problemas de audición, o tiene dificultad para hablar. Usted puede pedir por un intérprete. Intérpretes son gratuitos and están disponibles en todos los lenguajes, incluyendo el lenguaje de señas. Un intérprete le puede ayudar por teléfono y acompañarlo a sus citas de la salud mental y para trastorno por consumo de sustancias. El intérprete puede facilitar la comunicación entre su proveedor y usted. También puede que tengamos proveedores que hablan su idioma o el lenguaje de señas.

Para pedir por un intérprete o un proveedor que hable su idioma, llámenos al **435-789-6300** o **1-844-824-6776**.

Some of the services that might be covered by Medicaid or your physical health plan but not by NCC are medical, dental, and vision care. Medical care includes medical detoxification in a hospital for a SUD problem. If you have questions about these services or any other services that might be covered by Medicaid, call Medicaid at **1-800-662-9651**, or your physical health plan if you have one.

Also, methadone services for SUD problems are not covered by NCC. If you need this service, you can get it from a Medicaid methadone service provider. If you have questions, call Medicaid at **1-800-662-9651**.

Section 5: Transportation

How can I get help with transportation to my outpatient mental health or SUD services?

If you do not have your own rides to services, you may be able to get help with rides.

- ModivCare may be able to help with rides: ModivCare: **1-855-563-4403**

To learn more about help with rides, see the *Utah Medicaid Member Guide*. You can find the guide online or to ask for a copy or if you have questions, call Medicaid:

Section 6: Getting Mental Health or Substance Use Disorder (SUD) Services

How do I get mental health or SUD services from NCC?

Call the NCC office nearest your home as shown below. You may also go to one of our service locations as seen below.

How quickly can I be seen?

If you need emergency care you will be seen right away. (See Section 8, *Emergency Services*.) We will give you urgent care for conditions that need to be taken care of right away, but that are not emergencies. If you need urgent care, we will see you within *5 working days*. If you do not have an urgent need for care, we will see you within *15 working days*. If your condition changes and you think you need to be seen sooner, call NCC at **435-789-6300** or **1-844-824-6776**.

Our offices are located at:

Roosevelt Office

Roosevelt, Utah 84066

For appointments call us at **435-725-6300** or **1-844-824-6776**.

Vernal Office

1140 West 500 South

Vernal, Utah 84078

For appointments call us at **435-789-6300** or **1-844-824-6776**.

Section 7: Choosing Providers

Can I choose my NCC provider?

Yes, you can talk to us at any time about the NCC provider you would like to see. Call us at **435-789-6300** or **1-844-824-6776**.

Does NCC have a provider directory and where can I find it?

NCC has a directory of all our mental health and SUD providers. You can see our directory on our website at www.nccutah.org. The directory is organized by NCC clinic location and lists the providers in that clinic. Our directory also includes other community providers that we have a written agreement with to provide services.

Can I get outpatient mental health or SUD services from a provider outside NCC?

In some situations, you can go to a provider outside of NCC. You and the provider must get approval before you get services outside NCC.

If you want services from a community provider in our directory or a community provider that is not in our directory, call us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

When will I be told if I can get services from a provider outside NCC?

We can usually decide within 14 calendar days after you ask. If you or your provider want us to take more time to make a decision, let us know. Sometimes we might need more time to make a decision. Medicaid lets

us take up to another 14 calendar days to make a decision. If we need to take more time, we will let you know in writing. If you are unhappy that we need more time, you can file a grievance. (See Section 15, *Grievances*)

If you or your provider think it is important to make a decision quickly and we agree, we will try and make a decision in 72 hours. If you want us to take more time, or if we need more time to make a decision, Medicaid lets us take up to 14 more calendar days.

We will give you our decision in writing and also let the provider know our decision.

If we do not make a decision as soon as Medicaid wants us to or we do not approve the service or approve less than you or the provider asked for, this is an adverse benefit determination. We will also send you a Notice of Adverse Benefit Determination letter explaining that you can ask for an appeal of this decision. See Section 12, Adverse Benefit Determinations, and Section 13, Appeals.

Are there any outpatient mental health and SUD services that do not need approval from NCC?

You do not need approval from NCC to get emergency services. (See Section 8, Emergency Services)

You do not need approval from NCC to get mental health and SUD services from a federally qualified health center (FQHC).

If you are an American Indian or Alaska Native, you do not need approval from NCC to get mental health and SUD services from an Indian health provider. An Indian health provider is Indian Health Services, an Indian Tribe, Tribal Organization, or an Urban Indian Organization.

Can I get a second opinion?

Yes. You can get a second opinion about your mental health or SUD problem or services. There is no cost to you for a second opinion. If you would like a second opinion, call NCC at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

Section 8: Emergency Services

What is an emergency?

- When you think your life is in danger;
- When you believe you might harm yourself or others;
- When your safety or others' safety is at risk.

What are emergency services?

These are mental health or SUD services given to treat your emergency.

How do I get emergency services?

- Call or text the national Suicide Prevention and Crisis Lifeline at 988, 24 hours a day, 7 days a week, including holidays, . You will be connected with a Utah crisis worker.
- Monday-Friday, between 8 a.m. and 5 p.m., you can call NCC and ask to talk to a crisis worker.
If you don't want to call us first, you can also go to the NCC clinic nearest your home (See page 7). Tell the staff you want to see a crisis worker.
- Day or night, you can go to the any hospital for emergency room (ER) for emergency care. Even if you are out of town, go to the nearest hospital ER.

You can get emergency services from any mental health or SUD provider without our approval.

Section 9: Mental Health Care in a Hospital

How do I get mental health care in a hospital?

Mental health care in a hospital after an **emergency** is usually called post stabilization care services.

NCC uses Aspen Grove Behavioral Hospital – 1350 East 750 North, Orem, UT; and
Huntsman Mental Health Institute (HMHI)-501 Chipeta Way, Salt Lake City, UT

If one of these hospitals or another hospital treats your emergency and wants to admit you, the hospital **MUST** call NCC at **435-789-**

6300 or **1-844-824-6776** to ask for approval. It's important to let the hospital know NCC is your Medicaid mental health provider so they can call us if they want to admit you. We might have you stay at that hospital, or we might send you to another hospital.

Section 10: Payment for Services

Will I have a co-payment (co-pay) for outpatient mental health or SUD services?

There are no co-pays for outpatient mental health or outpatient SUD for any Medicaid members.

The *Utah Medicaid Member Guide* has information on co-pays, including information on Medicaid member groups that do not have co-pays on any Medicaid services.

Hospital Emergency Room (ER) Services

Will I have to pay for emergency services in an ER?

You will not have to pay for emergency services in a hospital ER. If you have co-pays, there is a co-pay if you use the ER when it is not an emergency.

Mental Health Care in a Hospital

Will I have to pay for mental health care in a hospital?

If you have co-pays, the hospital can charge you a \$75 co-pay for each hospital stay but you will not have to pay more than the co-pay.

Some Medicaid members do not have co-pays. You can look at the *Utah Medicaid Member Guide* for information on individuals who do not have co-pays.

Outpatient Mental Health and Substance Use Disorder Services

Will I have to pay for mental health or SUD services?

Non-Emergency Outpatient Services

You might have to pay your provider for a **non-emergency** outpatient service if:

- You get a service that is not covered by NCC or Medicaid; or
- You get a service that is not pre-approved by NCC; or

- You do not go to an NCC provider.

If any of the above happens, your provider might ask you to pay for the service. You should only be billed for the service if all four things below are met:

- The provider has a written policy for billing all patients for services that are not covered, not just Medicaid patients.
- The provider tells you before you get the service that you will have to pay for the service.
- You agree to pay for the service; and
- There is a written agreement signed by you and the provider that says what the service is and how much you will have to pay.

NOTE: If NCC did not approve a service you or your provider asked for, you can ask for an appeal before you agree to pay the provider for the service. See Section 13, *Appeals*, for more information on appeals.

You might also have to pay your provider for a nonemergency service if:

- You ask for and keep getting services during an appeal or a Medicaid fair hearing. You would only have to pay if the appeal or fair hearing decision is not in your favor.
- You are not on Medicaid when you get the service.

Emergency Outpatient Services

You will not have to pay for emergency outpatient services.

Ambulance Services for Emergency Care

You will not have to pay for the ambulance.

What are my rights as a client?

As a client, you have the right to:

- Complete surveys about the services NCC has given you.
- Respect the property, comfort, and confidentiality of clients and staff, and
- Notify your treatment provider when you want to stop getting services.

Section 12: Adverse Benefit Determinations

What are adverse benefit determinations?

Adverse benefit determinations are when NCC:

- Denies (turns down) or approves fewer services than you wanted.
- Denies all or part of a payment to an outside provider for a service that you might have to pay for.
- Does not offer your first appointment within the required amount of time for emergency, urgent, or non-urgent care and you are not happy with this. (See Section 6, *Getting Mental Health, and Substance Use Disorder Services*.)
- Does not settle an appeal or grievance you have with us as soon as Medicaid wants us to.
- Does not make a decision about approving services you or a provider have asked for as soon as Medicaid wants us to.
- or your provider reduces, suspends, or stops a service previously approved. If you agree with the change, it is not an adverse benefit determination. It is only an adverse benefit determination if you tell us you don't want the change.
- Denies your request to dispute a financial liability.

How will I know if NCC is making an adverse benefit determination?

We will send you a letter called a Notice of Adverse Benefit Determination. You can ask for an appeal if you disagree.

Section 13: Appeals

What is an appeal?

An appeal is our review of our adverse benefit determination to see if we made the best decision. If the adverse benefit determination is because we did not settle your appeal as soon as Medicaid wants us to, we will send you a Notice of Adverse Benefit Determination letter. In the letter, we will explain that you can now ask for a Medicaid fair hearing and how and when to ask for one. (See Section 14, Medicaid Fair Hearings.)

Who can ask for an appeal?

You, your legally authorized representative, or your provider, can ask for an appeal.

When can I ask for an appeal?

Your Adverse Benefit Determination letter will give you information on how to ask for an appeal, including how soon you must tell us you want to appeal. You must tell us you want to ask for an appeal within 60 calendar days from the date on the Adverse Benefit Determination letter.

How do I ask for an appeal?

You can ask for an appeal:

- in writing using the appeal request form we gave you with your Notice of Adverse Benefit Determination letter. Send your written appeal request to:
Northeastern Counseling
1140 W 500 S #9
Vernal, UT 84078
- by calling us. Call us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.
- by email to claims@nccutah.org

What if I need help asking for an appeal?

If you need help call us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

Can I keep getting services if I ask for an appeal?

If our adverse benefit decision is to reduce, suspend, or stop services we had already approved, and you want to keep getting the services during the appeal, you must ask for continuation of services on or before the later of the following:

- 10 calendar days of NCC sending the Notice of Adverse Benefit Determination letter to you; or
- The effective date of our proposed decision to reduce, suspend, or stop services.

If you ask for an appeal on time, and you let us know on time that you want to keep getting the services while we make a decision, you can

keep getting the services. You might have to pay for the services if the appeal decision is not in your favor.

If you are asking for an appeal of any other kind of adverse benefit determination and have questions about services during the appeal, call us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

When will NCC tell me the decision on my appeal?

Usually, we will give you a written decision no later than 30 calendar days from the day we get your appeal request. Sometimes we might need more time to make a decision. Medicaid lets us take up to another 14 calendar days to make a decision. If we need more time, we will let you know by phone as quickly as possible and in writing within two calendar days. Also, you might want us to take more time for some reason. If so, let us know.

Can I get a decision more quickly on my appeal?

If you or your provider thinks waiting 30 calendar days for our decision could harm your health, life, or ability to maintain or regain maximum function, you or your provider can ask for a quick appeal. This means we will usually make a decision within 72 hours. Sometimes we might need more time to make a decision. Medicaid lets us take up to 14 more calendar days to make a decision. If we need more time, we will let you know by phone as quickly as possible and in writing within two calendar days. Also, you or your provider might want them to take more time for some reason. If so, let us know.

If we deny your request for a quick appeal, we will let you know by phone as quickly as possible and in writing within two calendar days.

How do I ask for a quick appeal?

You or your provider can ask for a quick appeal by:

- using the appeal request form we gave you with your Notice of Adverse Benefit Determination letter. Send or hand deliver your quick appeal request to:

Northeastern Counseling
1140 W 500 S #9
Vernal, UT 84078

- calling us at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.
- email to claims@nccutah.org

Section 14: Medicaid Fair Hearings

What can I do if I am unhappy with the appeal decision?

If you are unhappy with our appeal decision, or we cannot make an appeal decision as soon as Medicaid wants us to, this is what you can do:

You, your legally authorized representative, or your provider can ask for a fair hearing with Medicaid. In our appeal decision letter, we will tell you that you can ask for a fair hearing with Medicaid. The letter will tell you how and when to ask for the fair hearing. We will also give you the fair hearing request form to send to Medicaid. You must ask for a fair hearing in writing using the form we give you. You can also get a hearing request form from Medicaid by calling Medicaid at **801-538-6576** or **1-800-662-9651**.

If you have questions or need help filling out the form, call us at **435-789-6300** or **1-844-824-6776**, weekdays, 8:00 a.m.-5 p.m. Ask for the Clinical Director or Medicaid Specialist.

At a fair hearing, you can speak for yourself, or you can have a relative, friend, lawyer, or anyone else speak for you. Before and during the fair hearing, you, and any person helping you, can present documents. Also, you, and any person helping you, can look at all the documents that will be used at the fair hearing.

When can I ask for a Medicaid Fair Hearing?

In most situations, you must ask for a fair hearing within 120 days from the date of our appeal decision letter.

If the fair hearing is about our decision to reduce, suspend, or stop services we had already approved, and you want to keep getting the services during the fair hearing, you must:

- ask for a fair hearing within 10 calendar days after we send you the appeal decision letter; and

- on the hearing request form, ask that the services be continued.

If you file your fair hearing request in time, and you ask to keep getting the services during the fair hearing, you can keep getting the services. You might have to pay for the services if the fair hearing decision is not in your favor.

If the fair hearing is about any other kind of adverse benefit determination, you can discuss your services during the fair hearing.

Section 15: Complaints/Grievances

What if I have a complaint about NCC or a provider?

If you have a complaint about anything other than an adverse benefit determination, this is called a grievance. Examples of grievances are complaints about the quality of care or services given to you, rudeness of a provider, or a provider not respecting your rights.

Who can file a grievance?

You, your legally authorized representative, or your provider can file a grievance. A grievance can be filed at any time.

How do I file a grievance?

- You can tell your grievance to any NCC staff member; or
- You can call NCC at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist and tell us your grievance.
- You can give it to us in writing. Give it to your provider or any staff member, or mail it to:

Northeastern Counseling Attn: Clinical Director
1140 W 500 S #9
Vernal, UT 84078

- If you don't want to talk to NCC about your grievance, you can call Medicaid Constituent Services weekdays at **1-877-291-5583**.

What if I have questions or need help filing my grievance?

Call NCC at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.

When will NCC tell me the decision on my grievance?

We will give you a decision no later than 90 calendar days from the day we get your grievance. Sometimes we might need more time to make a decision. Medicaid lets us take up to another 14 calendar days. If we need more time, we will let you know by phone as quickly as possible and in writing.

Once we make a decision, we will either talk to you about our decision on your grievance, or we will send you a written decision.

Section 16: Advance Health Care Directives

What if I am ill and can't make health care decisions?

You can give others instructions about your decisions for your health care. This is called an Advance Health Care Directive. This will tell us, in writing, what health care choices you want made if you get very sick and can't decide for yourself. There is one form with instructions. You must use this form. We can give you the Advance Health Care Directive form or you can get it at <https://ucoa.utah.edu>

Once you have filled out the Advance Health Care Directive form, be sure to give a copy to all your health care providers. You should also keep a copy and give one to your family members. Section 19: Fraud, Waste and Abuse

What is health care fraud, waste, and abuse?

Doing something wrong related to Medicaid could be fraud, waste, or abuse. We want to make sure that health care dollars are used the right way. Fraud, waste, and abuse can make health care cost more for everyone.

Some examples of fraud, waste, and abuse are:

By a Provider

- Billing for services that have not been provided.
- Not reporting a patient's misuse of a Medicaid card.

By a Medicaid Member

- Changing the amount or number of refills on a prescription.
- Giving their Medicaid card to someone else to use.
- Not being truthful to get on Medicaid.

How can I report fraud, waste, or abuse?

If you think there might be fraud, waste, or abuse, you can contact NCC at **435-789-6300** or **1-844-824-6776**. Ask for the Clinical Director or Medicaid Specialist.
